Many characters are shouting 'DRAW ME!' in speech bubbles. A small white dog character is on the ground barking 'WOOF!'

and we get letters...

Dear Baby Huey,
Just today I finished one of your comics. I like the two stories in the book, but I don't know which one I liked the best, "The Worm Will Squirm" or "The Spy." I never get comics—except when I'm sick—so I was wondering if you could write me. I even have a tape to put in the VCR of you, starting from when you were born to when you were a cub scout.
Your friend, Taffy Bowling
Prattville, AL

Dear Taffy,
You're lucky you get to watch my tape, Taffy, my Pa won't let me watch T.V. at all anymore! He got mad when I tried to grab the ice cream cone from the nice man on TV and broke the T.V. screen! I tried to write you, Taffy, but I don't know my A, B, D's too well! Instead I told the people at Harvey to write down my words for me and put them in this comic book!
Your friend, Baby Huey

Dear Richie, Casper and Wendy,
I love your comics. I enjoy books more than you would believe, and I spend half my time reading and the other half deciding what to read! My shelves are stacked with books such as novels, adventures (lots of these), but mostly comics. Keep up the good work.
Your pal, Megan Graham
Minnidosa, MB Canada

Dear Megan,
If you think you have a hard time deciding what to read, Megan, you should check out Richie's book shelves! Richie says we can borrow any of his books any time we want, but he has just too many books! We always end up going to the public library since it's easier for us to find what we're looking for there!
From, the Harveyland Gang

Dear Richie and Gloria,
I really really like your comics. I got to like your comics because my Nan gave me three of your comics. Now I have ten. I made up a play and my brother was Dollar, my sister was Gloria and I was Richie. Tee hee!
From Michael Griffin, age 9
Australia

Dear Michael,
We like to make plays too, Michael! I get to be Casper, Gloria gets to be Wendy, and Reggie—you guessed—likes to play either Hot Stuff or Spooky! It's a lot of fun pretending to be Casper, and right now Professor Keenbean is working on an invention so I can walk through walls! The only thing that worries me is that yesterday Irona caught Reggie trying to sneak into the Rich Invention Center!
Your friend, Richie

Dear Hot Stuff,
I really like your comics. You're my favorite character. My friend Sharleen and I always read your comics. My brother has a stuffed devil, and I ask him for it, but he says, "No." I am 7 years old. You are very funny. I am your #1 fan.
Your pal, Meghan Lynch
Gloucester, Ontario, Canada

Dear Meghan,
Thank you very much for your kind words, Meghan, and please say "Hello" to your friend Sharleen for me! Things have been a little cool around here lately, but letters from my fans always raise my temperature! I can tell that a little bit of me has rubbed off on your brother, but you tell him that it gets me a little "hot under the collar" when people don't share—especially if they don't share with me!

Dear Dollar,
Hi! How are you? I am fine. I love you. You are the most gorgeous dog I have seen. I am a 15 years old. My birthday is on Easter. I like Richie Rich and the others, but you are my most favorite character. I used to watch Richie Rich just to see you. My 1-year-old cousin likes you too.
Love ya always, Crystal McCartha
Blossburg, PA

Dear Crystal,
As young master Richie's guardian, it often falls upon me to care for his close companion—and canine—Dollar! From time to time, I am called upon to read aloud to Dollar, the many fan letters he receives. While Dollar is unable to respond as we humans do, he voices an audible "Roof! Roof!" when he approves of a letter. I dear say, Crystal, as I was reading your letter to Dollar, I was forced to place plugs in my ears!
Humbly yours, Cadbury
